Dear Mrs. Fawkes:

I write this correspondence in response to a notice of disqualification given to me on Monday, May 21, 2018, at approximately 4:00 p.m.

I first learned there might be an issue via the public airways when board member Adelbert Bryan mentioned, on multiple radio stations, that I will be disqualified due to my running mate not being a qualified elector. As mentioned during our meeting on the matter, I can understand your itemized concerns regarding my running mate Mr. Gary Udhwani. He did go to the election office after 11:00 a.m. on May 8, 2018, with the intention to reregister and pick up nomination petitions, which I instructed him to get. He was told by the person issuing the petitions that he did not need to register again and left with the petitions to get signatures. Prior to May 8, 2018, I, personally, with the help of two ladies, circulated the St. Thomas-St. John petition papers. Mr. Udhwani gathered approximately forty (40) signatures. When I was apprised by committee workers that I could not sign the affidavit of circulator as a resident of St. Croix, I then instructed Mr. Udhwani to sign, notarize, and send them over immediately, which he did.

We ask to be given an opportunity to correct any defects or deficiencies on our nomination petitions as allowed in Title 18 Chapter 17 subsection 411(C). Your consideration is appreciated and just. We anxiously await your response. Thank you.

Sincerely,

Positive T. A. Nelson

Gubernatorial Candidate
